

# First Grade Newsletter

The children continued to work hard as we ended our first quarter in First Grade! This week in class we learned about the early English settlers who came to North America. We learned about the mystery of the lost Roanoke Colony. We also learned about the Jamestown colony and the real story of Pocahontas.

In math, we explored studied numbers up to 120. We learned about place value for ones, tens, and hundreds. The children did a great job!

We also had our Special Science and Social Studies Culmination Activity. The children enjoyed listening to each of our community helpers. It was exciting to hear about the ways they helpers use reading, math, and writing in their jobs. We also had fun learning about the library and desert plants and animals at the White Tanks Library. What an amazing week! Book Character Day for our class will be on October 31<sup>st</sup>! Students can dress as a character from their favorite book characters. They must bring the book to school and tell other students about the story. This is an optional activity, but I hope all of our students will participate! It will be so much fun!

**Thank you to the many parents who came in and helped with our special activities this week! We couldn't have done it without you!**

## Donations Needed:

- 1 box of Q-tips
- 1 bag of candy corns
- 1 gallon of water
- 1 box of baking soda
  - Vinegar
- 25 clear cups

Character Counts Pillar:  
Respect
